Father Ahern
501 Bergen Street
Newark, New Jersey

Dear Father Ahern:

The Newark Eagles baseball team will play the Philadelphia Stars a ball game at Ruppert Stadium, Newark, on Tuesday night, August 20 at 9 P.M. The entire proceeds of this game will be used to purchase needed equipment for the Community Hospital of Newark.

The committee of civic minded citizens are sponsoring this game, and we are seeking the aid and cooperation of everyone who is interested in seeing that the colored people of New Jersey have a hospital of which they may be proud.

This is our opportunity to do something for one of our institutions without over taxing anyone. We are asking the ministry to cooperate with us in this effort by having this game announced in your church Sunday.

We know that this may be an unusual request, but because of the worthy cause involved, the committee feels that our public spirited ministers will gladly cooperate with us by granting this request.

Please accept our profound thanks for this favor, and may we express the hope that you will be with us on this occasion, we are,

Very truly yours,

Oliver M. Brown
Committee for Charity Game
